POLICY INFORMATION

Your insurance is covered under master policy number SJBSA40072-39 A & B specially arranged through Fogg Travel Insurance Services Limited and insured by Union Reiseversicherung AG. Cover is provided for each passenger who is shown as having paid the insurance premium and whose name is shown on the booking confirmation invoice issued by your tour operator. This insurance wording is a copy of the master policy and is subject to the terms, conditions and exclusions of the master policy.

This insurance is sold on the understanding that you are travelling with the intention to return to your home country within your trip dates.

No refund of the insurance premium will be given after the policy has been issued unless, after receipt of the policy, you find that the terms, conditions and exclusions do not meet your requirements and an alternative is available. In this case you must return the policy, insurance schedule and alternative insurance policy to Fogg Travel within 14 days of receipt for a refund to be considered.

The first policy, your pre-travel policy, covers you from the time you purchase your policy until you leave home to start your trip. The second policy, your travel policy starts when you leave home to start your trip and ends when you return home or the policy ends, whichever is the first.

We have tried to keep the wording as simple as possible. There are conditions and exclusions applying to the pre-travel policy and to the travel policy. Each section tells you what is covered, what is not covered and what you need to do if you need to claim under that section. There are no hidden parts or small print.

Like most policies they exclude all existing health conditions but if you do need the cover, unlike some other policies, you may be able to obtain cover for these conditions by calling the Referral Helpline on the telephone number shown below the summary of cover shown. Cover is not available on all conditions and to include others we may need to charge you an additional premium or increase your policy excess for this condition (including anything directly or indirectly related to that condition), an excess is the first part of the claim cost. You should bear in mind that this excess will apply to everyone on your booking if they have to claim for cancellation or curtailment (cutting short the trip) due to your health condition. Cover is not available for conditions where you are under investigation or awaiting treatment. If you do not tell us about your existing health conditions or those of your close relative or business associate on whom the trip plans depend they will not be covered at all and you will not be able to claim for anything caused by them.

If your health changes (for any insured-person of any age or destination) after you have bought the policy you must call the Referral Helpline immediately. As you have two policies, cancellation under the Pre-travel Policy will be effective, but cover for the Travel Policy, which has not started, may change. Travel insurers require stability of health conditions whilst away so what cover is available will depend on the condition, the medication and the period of time before travel. In some instances the new condition may be excluded and on a few occasions we may agree to pay the cancellation charges at the time of diagnosis and recommend postponement of your trip.

We are unable to provide any cover for a claim arising from a recognised complication of a known existing health condition of a close relative or a close business associate unless declared to us and accepted by us in writing.

A. YOUR PRE-TRAVEL POLICY

HOW YOUR PRE-TRAVEL POLICY WORKS

Your pre-travel policy shows the sections of cover, limits, conditions, exclusions and information on what to do if you need to claim. It is essential that you read it. The policy is a contract between us and you. We will pay for any event, as set out in the policy, that happens during the period of cover for which you have paid the appropriate premium.

We are unable to provide any cover for a claim arising from a recognised complication of a known **existing health condition** of a **close relative** or a **close business associate** unless declared to us and accepted by us in writing.

All numbers and letters shown under 'For each insured-person this insurance will not cover:' refer to the same numbers and letters under 'For each insured-person this insurance will pay:' Where no letters or numbers are shown it applies to the whole section.

You are required to disclose any relevant information otherwise your policy will not cover you and it may invalidate it altogether.

If you are a person buying insurance wholly or mainly for personal purposes unrelated to your employment, you have a duty to take reasonable care to answer questions fully and accurately, and that any information you volunteer is not misleading. This duty exists before the cover is placed, when renewed, or altered at any time throughout the duration of the policy. If you do not do so, your Insurer may be able to void your policy from inception. An example of this could be the medical history of a **close relative** or other person that may cause you to cancel or cut short your trip. If you are unsure whether or not information is relevant please do not hesitate to call us on **01623 635958**. No cover will be in force for **B – Your Travel Policy** if you claim under **A. Your Pre-Travel Policy**.

WHEN YOUR PRE-TRAVEL COVER STARTS AND ENDS

The cover for cancellation starts from the date the trip booking was made after the policy was issued and ends when you leave home. No further trips are covered by this policy.

DISCLOSURE OF EXISTING HEALTH CONDITIONS

Your policy may not cover claims arising from your existing health conditions so you need to tell us of anything you know that is likely to affect our acceptance of your cover.

- Your policy may not cover claims arising from your existing health conditions so you need to tell us of anything you know that is likely to affect our acceptance of your cover. You need to keep copies of all letters we send you for future reference.

If when you buy this policy you are aware of anyone or anything that could increase the risk or result in a claim you must tell us. If you do not tell us, your policy may not cover you, and might be invalidated altogether. Your travel policy shows details of the sections of cover, limits, conditions, exclusions and information on what to do if **you** need to claim, how to obtain legal advice and how to contact the **24** hour emergency medical assistance service. It is essential that **you** read it. The policy is a contract between **us** and **you**. **We** will pay for any event, as set out in the policy, that happens during the period of cover for which **you** have paid the appropriate premium.

Your travel policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for **365** days of the year. There is a maximum amount **you** can claim for each individual item and a maximum amount in total for **valuables**, and these are shown under the **personal possessions** section. The **personal possessions** cover is not 'new-for-old' and an amount for age, wear and tear will be deducted.

Your policy covers for treatment of medical conditions in emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by **our** Chief Medical Officer, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or repatriate **you** to **your home country**. Cover will not be granted if travel is against the advice of **your** doctor or a medical professional such as a dentist.

We are unable to provide any cover for a claim arising from a recognised complication of a known **existing health condition** of a **close relative** or a close **business associate** unless declared to **us** and accepted by **us** in writing.

All numbers and letters shown under 'For each insured-person this insurance will not cover:' refer to the same numbers and letters under 'For each insured-person this insurance will pay:' Where no letters or numbers are shown it applies to the whole section.

No cover will be in force for **B – Your Travel Policy** if **you** claim under **A. Your Pre-Travel Policy**.

WHEN YOUR TRAVEL COVER STARTS AND ENDS

The cover under all sections of **your** travel policy starts at the beginning of **your trip** as shown on **your** booking confirmation invoice and ends on **your** return **home** or expiry of the policy, whichever is the first. No further **trips** are covered by this policy.

EXTENSION OF PERIOD

1. In the event of **your** death, injury or illness or that of anyone travelling with **you**, **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.
2. In the event of delay to any vehicle, vessel or aircraft in which **you** are travelling as a ticket holder **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium up to **14** days for **you** to complete the **trip**.

NEW MEDICAL CONDITION OR CHANGE IN MEDICAL CONDITION OR ONGOING MEDICATION

If **your** health or **your** ongoing medication changes (for any **insured-person** of any age or destination) between the date the policy was bought and the date of travel **you** should advise **our** Referral Helpline quoting **TGM TRAVEL GROUP** on **01623 635958** as soon as possible. **We** will advise **you** what cover **we** are able to provide after the date of diagnosis. **We** reserve the right to charge an additional premium, increase the excess, exclude the condition or withdraw cover if the condition declared makes this necessary.

USE AN EHIC - NIL EXCESS IF MEDICAL COSTS ARE REDUCED

Avoid paying the excess - travellers to European countries, Iceland, Liechtenstein, Norway and Switzerland (the European Economic Area (EEA)) should obtain the European Health Insurance Card (EHIC). Applications for the EHIC can be made online at:

www.nhs.uk/NHSEngland/Healthcareabroad/EHIC

- full details are given online. Please allow sufficient time to receive the EHIC prior to **your** departure date. This will entitle **you** to benefit from the reciprocal health arrangements which exist between European Union countries. In other countries where reciprocal health arrangements exist all reasonable steps should be made to utilise them. Please see Section **B3**.

If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the **UK** and the **Channel Islands** and these can be found on <http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx>

If **you** make use of these arrangements or any other world-wide reciprocal health arrangement and **your** claim under Section **B3** is reduced, **you** will not have to pay any excess. This does not apply where special excess terms have been imposed. Please note residents of the Isle of Man or Channel Islands are not eligible for and EHIC.

IF YOU NEED EMERGENCY MEDICAL ASSISTANCE ABROAD:

Contact the 24 hour emergency medical assistance service:

FOGG ASSIST

on

+44 (0)20 7118 1444

IN CASE OF SERIOUS EMERGENCY

First call an ambulance using the local equivalent of a **999** call. While **you** wait for the ambulance contact **our** emergency medical assistance service which is open **24** hours a day and **7** days a week to offer **you** advice in this emergency situation. **We** strongly suggest **you** put **FOGG ASSIST's** telephone number **+44 (0)20 7118 1444** into **your** mobile phone before **you** travel so that it is to hand should **you** need it. Speak to the ambulance driver and get details of the hospital **you** are being taken to so that **our** emergency medical assistance service's doctor will be able to obtain a medical report at the earliest possible opportunity.

You must notify **FOGG ASSIST** as soon as possible if **you** are to be admitted as an in-patient, or where costs are likely to exceed **£500**, for agreement of costs under the policy.

WHAT THE MEDICAL ASSISTANCE COMPANY NEEDS FROM YOU

When **you** call **our** emergency medical assistance service in an emergency **you** need to have some basic information for them to hand:

- **your** telephone number so **you** can be contacted on in case **you** are cut off
- the name and age of the patient and as much information about the medical situation as **you** are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if **you** have them
- tell them that **you** insured under the scheme **FOGG - TGM TRAVEL GROUP**, your booking reference number, the date **you** bought the insurance, and **your** booked travel dates, and for winter sports trips **your** Fogg Travel Medi-card number.
- the patient's **home country** GP details, name, address and phone number, in case they need to obtain information on current medical conditions and treatment.

MINOR ILLNESS OR INJURY

If **you** need to see or visit a doctor or hospital in Europe or Scandinavia then ask **your** hotel reception or **your** tour operator representative for the address of the nearest public medical facility. In Europe **you** should show them **your** EHIC card, and have it accepted, as medical treatment should be free or at a reduced cost and **you** will not be required to contribute towards the claim as the policy excess will be reduced to **NIL**. **You** will only be covered for the cost of private medical treatment where adequate state facilities are not available in these countries. **You** must have this approved in advance by **FOGG ASSIST** on **+44 (0)20 7118 1444**. Elsewhere it is advisable to seek advice on where to go for treatment from **our** emergency medical assistance service if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin **your trip** by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for **our** emergency medical assistance service to move **you** to a more suitable facility.

HOW TO PAY FOR YOUR TREATMENT

Outpatient bills for less than **£500** should be paid at the time and claimed on **your** return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If **you** cannot afford to do so, **you** may contact **FOGG ASSIST** for advice and assistance.

If **you** are admitted to a medical facility then **you** may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to Fogg Travel Insurance Services Limited, Crow Hill Drive, Mansfield, Notts, NG19 7AE, England.

Our emergency medical assistance service will explain this procedure to them and provide them with a faxed guarantee if necessary, once the validity of **your** claim has been established.

In European Countries, Iceland, Liechtenstein, Norway and Switzerland (the European Economic Area (EEA)) **you** should utilise **your** EHIC card for in-patient and/or out-patient treatment to obtain a reduction in medical costs where possible, and if costs are minimised the policy excess will be reduced to **NIL**.

WHAT HAPPENS IF I MISS MY BOOKED FLIGHT DUE TO ILLNESS?

Don't worry, provided **you** have contacted **our** emergency medical assistance service **your** policy will be automatically extended to cover **you** until it is agreed that **you** are fit to travel **home**. **Our** emergency medical assistance service will liaise with **your** treating doctor and **you** and once **you** are fit to travel, they will make appropriate alternative arrangements.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers **you** to come **home** early because **you** are ill or injured only if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **FOGG ASSIST** on **+44 (0)20 7118 1444** for advice first before making any arrangements. If **you** need to come **home** for any other reason, such as the illness of a **close relative** in **your home country** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured.

If **you** are not sure whether **your** particular circumstances are included in the cover then call **Fogg Travel** on **+44 (0)1623 631331** (Claims Department option) between **9.00** am and **5.00** pm UK time for advice.

WINTER SPORTS COVER

The following sections are only applicable if you are on a winter sports trip organised by TGM TRAVEL GROUP SKI, and having been declared to us by TGM TRAVEL GROUP SKI as having winter sports insurance.

IMPORTANT ADVICE

1. We recommend when participating in **winter sports** that the appropriate clothing including helmets should be worn, and activities undertaken to match the level of experience you have in that activity.
2. Whilst skiing is fun, there are still rules and regulations which apply - **you** can be prosecuted for behaving in a reckless or dangerous manner. The guidelines are the FIS rules - **you** should read and understand them before **you** ski - following them will help **your** enjoyment.
3. If **you** are not skiing with an instructor or guide, check that the area and the snow **you** wish to ski is suitable for a skier at **your** level - get advice from the local ski school. Never ski in closed areas - it may be there is an avalanche around the corner - or perhaps the mountain comes to a dangerous cliff edge or sheer drop!
4. Whilst skis left outside bars and the like are covered in the event of theft, 'mix 'n match' them - thieves only take pairs! Do not leave other property **unattended** except in **your** hotel room.

OFF PISTE COVER

Off piste skiing is included provided **you** act reasonably and do not ski in a closed or avalanche risk area. If not skiing with a guide or instructor, always check that the area is suitable for a skier at **your** level.

FOGG TRAVEL MEDI-CARD

For Medical claims - Production of **your** Fogg Travel MEDI-CARD will mean that any rescue, transport or medical service in Europe, subscribing to the scheme, will make no charge to **you** for their service but will bill **us** direct - the policy excess is, however, payable to the doctor at the time of treatment. In the event of difficulty **you** should contact the emergency medical assistance service immediately. **You** will be given a form by the medical/rescue service whenever the Fogg Travel MEDI-CARD is used - this form should be sent to Fogg Travel Insurance Services together with any ancillary pharmaceutical bills and the like at the end of **your** trip to obtain reimbursement of those costs incurred - less the policy excess amount - where **you** have made payment.

Otherwise, and in particular outside Europe, production of **your** Fogg Travel MEDI-CARD will be of assistance in confirming **your** travel insurance details to rescue, transport or medical service providers.
